Approval of Minutes from last meeting:

Minutes approved from the last 3 meetings in unanimous decision

Prior/Outstanding Business:

Gil Jarvie reported on last years funds-have most of money left from teacher aide, text book money has been used, as have calculators, laptops, and Language Arts curriculum. Want to try to purchase white boards ASAP
The science teacher may order text books before close of year, he wants to create his own curriculum.
Need to consider new math teachers needs, will they want classroom sets of books for each math level?

New Business:

- 1 Review the 2019 school year School Land Trust Funds.
- 2 For the greenhouse next year, prepurchase the consumables this year to use the rest of the science room supplies.
- 3 Need teachers to order needs, we need to minimize our carryover, preferable below 10%.
- 4 Change teachers aide from "STEM" to generic teachers aide, line item added for STEM Supplies and Math texts.
- 5 We need to create a flyer to add to the newsletter to explain the role of SCC and what we chose to spend the money on. Advertise the counsel to attract new parents, will need to replace 2 members next school year.
- 6 We will need to create goals for each of the line items on the 2019 School Land Trust Funds.
- 7 SAGE will no longer be used for 9th and 10th grade testing.
- 8 Math goal for ACT will be 18%, Science 17%, and composite 19.5%.

Action Items:

- 1 Sarah will get with teachers to finish spending allocated funds.
- 2 Gil will follow up with COPA about putting up white boards.
- 3 Kristie will create a flyer to introduce SCC and attract new students.
